

CFSC 70th Anniversary Video

VO : Every person faces different concerns in each stage of life

VO : When we were small, we spent all our time playing under others' care

VO : As we became adults, we start working hard to achieve our dreams

VO : We also learned to maintain hope, regardless of sunny or rainy days

VO : Whilst also reminding ourselves to focus on our holistic well-being

VO : Taking good care of our health starting from the basics

VO : Finding a life partner entails a new stage of life

VO : It brought about new experiences as well

VO : After getting married, we grew to love our family more and more

VO : Caring for the needs of our family members became the priority

VO : Ensuring the elderly members of our family enjoy a prosperous old age

VO : brings a sense of fulfilment

VO : But can our commitment to elderly care extend beyond our own family?

VO : Can I also share the same care and love to those in need?

VO : By doing so, can I create a harmonious and inclusive community, together with others?

VO : Since I live in this city

VO : and grew attached to this place

VO : shouldn't I be doing more for the sake of our home city?

VO : Therefore, I often remind myself

VO : to care more people around me

VO : It's only by helping one another that we can bring about a fairer society

VO : We should also strive to practice a sustainable and environmentally friendly lifestyle

VO : in order to create a highly liveable city
