Special Education Needs Training for Early Childhood

With more social attention being paid to Special Education Needs (SENs), parents have benefited from more understanding on SENs. Hence, we had developed some supportive playgroups or classes with related elements for their children. In 2017-2018, 82 children enrolled in 12 courses for attention training in 96 classes.

秉承近年中心對舞蹈學習的方針：為學員訂立學習目標及透過表演及比賽展現學習成果，出外表演及比賽已漸漸成為課程的特色。在過去的2017-2018年，中心共舉辦了60個舞蹈課程，當中包括新加入的兒童活力 K POP 舞蹈班及兒童 Hip Hop 嘻哈流行舞；部分課程更在公開表演及比賽中取得卓越成績，例如在香港國際文藝交流協會舉辦「第十二屆舞動香江大賽」中取得兒童組一爵士舞亞軍、「第10屆香港青少年及幼兒藝術節舞蹈比賽」中首次挑戰兒童 A 組一西方舞群舞，取得亞軍；而兒童芭蕾舞課程學員更獲邀於香港演藝學院（戲劇學院）演出「莊慧思芭蕾舞學校創校二十週年舞蹈及音樂劇匯演」。

Dance Performance

Setting an individual learning goal for each student and letting them demonstrate their talents and hard work through competitions and on-stage performances are the popular approach to our dance classes. More than 60 dance courses were organised in 2017-2018, including the newly introduced 'K-Pop for Kids' and 'Hip Hop Funny Dance' courses. Some of them have garnered notable attention and won the first runner-up in the Jazz (Kids Category) at the '12th Dance of Hong Kong' and the first runner-up in the Kids Western Group Dance category at the '10th Hong Kong Youth and Kids Art Dance Competition', organised by the China Artist Association. Associated Board of the Royal Schools of Music's (ABRSM's) Ballet Classes were also invited to perform at the '20th APA Performance - Chong Wai Sze Academy of Ballet'.

Community Work

Students garnered positive feedback from the community at various events where they showcased their learning achievements, such as for their dancing performance at the 'Health and Environmental Protection Carnival cum Environmental Protection · Health · Tseung Kwan O', organised by the Tseung Kwan O (South) Area Committee, and the '4R Carnival 2018', organised by the Kwun Tong Community Green Station. STEM students also helped to design a booth for the 'STEM Carnival' to promote technological innovation.
