One Family • One for Many – A New Journey Takes Place

Entering the 70th Anniversary, we choose “One Family • One for Many – A New Journey Takes Place” as the theme of this year’s annual report. Since it was founded, “family” has been the cornerstone of CFSC and it is also a central idea of our 70th anniversary celebration. On the basis of “One Family”, we are striving to unite those from all walks of life and work together with all our stakeholders to serve people with different needs in our society, embodying the spirit of “One Family • One for Many”.

The cover design of this year’s annual report has adopted a unique approach, where the number “70” is shown to be formed using hand-pulled mechanisms. The process is just like the growth of CFSC, which has evolved into a diversified social service organisation. Walking together with the public with love, our colleagues are wholeheartedly dedicated to serving the public and making contributions to bringing positive changes to our society.
